A Message from TOKYOPOP

Welcome, everyone, to the start of a special, magical journey – our journey together with everyone's favorite ghost dog, Zero. Since you are here, this means you probably loved the enchanting stop-motion classic as much as we did – and, like us, always wished there were more scenes with Zero. He was always there for Jack, floating along, a loyal companion. And now we're able to bring you Zero in his own starring role, *Zero's Journey*.

Over this 20-issue series, you'll experience fantastic artwork from a talented creative team, bringing back classic characters such as Jack, Sally, the Mayor, and Lock, Shock & Barrel, along with brand-new characters you'll meet as Zero explores Christmas Town. This special Free Comic Book Day edition of Issue #0 is the exclusive launch pad for the entire series. You can collect all 20 issues, which will also be compiled into 4 graphic novels, after which we'll collect the entire story into one massive collector's edition manga.

In honor of the 25 years (a quarter century!) since this legendary masterpiece was released, our imaginations have been running wild dreaming up the quirky, lovable adventures Zero will encounter lost in Christmas Town. We couldn't feel more honored to be a part of Tim Burton's timeless world, and want to thank him, his creative team, the fine people at Disney, the artists participating in this project, our editorial, sales, marketing and retail teams and partners and most of all YOU, our fellow fans.

We hope you enjoy reading *Zero's Journey* as much as we've enjoyed making it.

This is Christmas!
